UK Children's Books is a directory of the online world of British children's books. There is no charge for being listed or for using the service. The site is very popular with visitors and ranks well on search engines, for example searching for *childrens publishers uk*, places it first on Google and second on Yahoo.

Your company could share in the goodwill this site generates by sponsoring it for a month, a quarter or a longer period.

Sponsorship allows you to put your logo, picture or message on the 5 main pages in the space currently occupied by *No Website?...* These pages cover the following categories:

- Authors
- Illustrators
- Publishers
- Organisations / Events / Information for writers / Discussion lists
- Book News & Reviews / Series & Characters / History & Study / Booksellers

We will put a different image on each page if you wish and link it to your own website
